PORT FAIRY FOLK FESTIVAL
Social Story

Festival attendees in the festival arena.

I am going to the Port Fairy Folk Festival.

I can wear whatever clothes I am comfortable in.

I should wear comfortable shoes as I may do lots of walking or dancing!

I can get there in the car, on the bus, walk or ride my bike.

If I have an Accessible Parking Permit, I can park out the front of the festival.

People waiting in line to get into the festival.

When I get to the festival there will be lots of people there. I need to stay close to my family or carer.

People lining up for tickets at the stadium.

I will stand in line to swap my ticket for a wristband in the stadium. I can take the fast-track lane if I don't want to stand in line.

The ticketing volunteer will put my wristband on for me. I will need to show my wristband every time I enter the festival.

When I am at the festival there are lots of things to do.

Families watching a circus performance.

I can:

- **listen to music at the venues.**
- **purchase food and drinks.**
- **look at the craft stalls.**
- **watch circus performers.**

I can plan which shows I want to see on the Folk Festival app or by using the Festival Program.

If I need help at the festival I can ask a volunteer in a yellow t-shirt.

The festival may be loud or crowded or have bright lights at times. If I need to have some quiet time, there are lots of open places to sit down and rest. I can wear my earmuffs if the noise is too loud.

I will have so much fun at the Port Fairy Folk Festival!
